**Commentary:**

Brethren:

As Intercessors, we watch the daily news shows from reliable relatively conservative outlets with ever-increasing concern. Then, we receive Articles and Videos (see below) which only increase our alarm.

**BRETHREN, THINGS ARE VERY SERIOUS!**

If we are to take ourselves seriously as **Intercessors**, we must be intensely involved for the rest of the time leading up to the first Debate on Oct. 3<sup>rd</sup>, and thereafter. The forces of **EVIL** are threatening to destroy the America God gave us. This is **NOT** an exaggeration.

CBN News

We and our children and grandchildren, the remnant of the great nation of Israel of biblical times, sit in the middle of a maelstrom as the evil forces of the world gather around our hard-won, industrious, beautiful little country and its wonderful, creative, beautiful people. Some have faith in our army. Some in our government. Some in God. Some, like myself, in all three.
